Dr. Rosenak's Optical Options Assists Local Law Enforcement Officers with Complimentary Eye Exams, Including Spouses

August 24, 2016 (St. Joseph MO): Dr. Rosenak's Optical Options is giving members of the Sheriff, Police and Highway Patrol departments an opportunity for a complimentary eye exam and one for their spouse. The offer begins in August, National Eye Exam Month, but extends throughout 2016 as Dr. Rosenak and his team seek to honor and celebrate the work law enforcement officers perform in the community.

“As a locally-owned business, our team is proud to recognize law enforcement officers and their families,” said Dr. Steven Rosenak. “With everything going on in our country, we want to show our support for law enforcement officers and their spouses by providing our services in this complimentary way.

“We want officers to know how much we appreciate the sacrifices and danger they encounter to ensure our safety, and we also acknowledge that the spouses carry the burden of worry while officers are out performing their duty.”

The complimentary eye exam for officers and their spouse, including Sheriff, Highway Patrol and Police, extends through the end of December 2016. To participate, officers and spouses should call Dr. Rosenak's Optical Options to set up an appointment and bring an ID or badge to the appointment. For more information: Visit www.drrosenak.com.
